

Last updates School Scholarship

The Mountain Trust believes that every child deserves quality education. In order to achieve this, we allocate funds to pay for school fees but also for exam entries, school supplies and uniforms. MT also has links with several Government schools. As the children do not need to pay school fees to attend the school, we help in other ways, such as providing stationary equipment and food, so the pupils can have at least one proper meal a day.

Bandana Adhikari with Sabita Gurung, who has been sponsored by MT for several years.

Last year, MT allocated scholarship to 139 students between 5 and 21 years, attending different schools around Pokhara.

We are very grateful for the continued support of Miette Lauwers, who has raised sponsorship fees for at least 90 children this year alone. Miette has been working with us for many years, and her formidable fundraising ability has changed the lives of hundreds of children.

We have a long-standing partnership with Bullers Wood College, and the funds raised from their Annual Fashion Show has enabled us to provide Brahma Jyoti School with one year of school supplies, and enough food to feed the children one meal a day.

If you are interested in either sponsoring a child directly or contributing to our school sponsorship programme, please contact nmb@mountain-trust.org for more information.

Our latest visit in Brahma Jyoti School – May 2016
